Re: Patent Application of Lawrence Restaino,
Serial No. 10/784,347 Entitled PLATING MEDIA
FOR THE IDENTIFICATION OF SALMONELLA

Dear Sir:

In reviewing the above-identified application for issuance, I noted that the attached Filing Receipt erroneously stated the title of the invention as "Plasting media for the identification of Salmonella."

It is requested that the title be corrected as follows:

~~---PLASTING PLATING MEDIA FOR THE IDENTIFICATION OF SALMONELLA~~
SALMONELLA---

The application as filed and all correspondence from the applicant referring to the title correctly shows the title as PLATING MEDIA FOR THE IDENTIFICATION OF SALMONELLA. I am requesting this correction at this time in order to facilitate issuance of the patent on this application with a correct title.

Very truly yours,
